How to make your own colour combination from a destination palette:

Go soft around you

For your first set of panels, we have for you a selection of all seven in chosen tones. Take your pick from A, B, C or D from any palette and treat them just like your walls for stunning results.

Start is beautiful

If you'd like to go further, it's easy too. Just mix F with the other seven to, B, C or D and bring the full home to your own destination in your walls.

Romantic France This palette, rich with purple, hints at the warm sunset of champagne to the sea best way to feel it like remaining in your life.
Energising Australia The vibrancy and quality of Australia's nature and climate are brought to life in this beautiful palette of golden yellows. Instead of being a sunbaked shade for relaxation.
Refreshing Thailand Thailand's lushness and tranquillity, together with the island's feeling of sea growth and sea breezing, let's be connected with the environment.
Relaxing Maldives Let the vast waters of the Maldives wash over you. Breathe with this relaxing palette of soft blues. Bring you up with big serenity.
Passionate Spain Bring the vibrant and passion of Spain to life in your home with rich reds and golden sandy tones. Bring your spirit and emotions.
Magical Italy Beautifully and exciting tones, such as the glow of the sunset, are reminiscent of ancient Italian life. The soft and vibrant tones, like in Italy.
Amazing Switzerland A small and spectacular, mountainous country. Switzerland is a beautiful and majestic landscape. The soft and vibrant tones, like in Switzerland.
Royal England The palette of warm neutrals, with your most loved look in the home, is a classic choice. The elegant and classic of England.
Adventurous Africa Capturing the adventure and strength of Africa, this warm and earthy palette shows that colour does not have to be too loud and attention grabbing to be beautiful.
